

REMARKS

The Examiner has further restricted the claims into the following three Groups:

Group I: claims 1-12, 14, 15, and 19-25;

Group II: claim 18; and

Group III: claim 29.

In response to the Restriction Requirement, Applicants elect Group II, directed to claim 18. Applicants further note that claim 29 is a composition claim which depends on claim 18. It is not a process claim, as asserted in the Office Action. Accordingly, restriction between Groups II and III is improper and examination of claim 29 in conjunction with claim 18 is respectfully requested.

Claims 1-12, 14, 15, and 19-25 are canceled without prejudice. Applicants reserve the right to pursue claims directed to the canceled claims in a divisional application.

In addition, Applicant submitted Information Disclosure Statements on November 13, 2008 and January 12, 2009. Applicants respectfully request consideration of the references submitted and indication that they have been considered by returning a signed and initialed copy of the SB/08 forms.

In view of the above amendment, applicant believes the pending application is in condition for allowance. Early notification of such is earnestly solicited. No fee is believed to be due with this response. However, if any fee is due, please charge our Deposit Account No. 08-0219, under Order No. 0019240.00218US2 from which the undersigned is authorized to draw.

Respectfully submitted,

Dated: July 21, 2010
